ADULT FORUM SCHEDULE

February 25 - Sonya Stratman – What it was like living in Nazi Germany. First hand recollections. The truth as she experienced it.
March Topic - The word "theater" meaning "a place for seeing" originated in ancient Greece. But theater is more than just a building where plays are performed. It's the whole idea behind what happens there. Theater is a branch of performing arts that focuses on live performances by actors, which creates a self-contained drama. During the month of March the Indian Hill Church's Adult Forum will focus on theater in Cincinnati. What and who make it work. Come and visit us from 9:00 to 10:30 on Sunday mornings where you can meet the people who run the show!

March 4 - Shakespeare Theatre Kristen Race and Jeremy Dubin from the Cincinnati Shakespeare Company will be coming to talk about the remainder of the 2017 season and the season for next year along with discussing the excitement of being in the new Otto Butig Theatre. They will also talk about their Outreach Programs. Kristen Race is excited to continue with CSC this year. Previously, she taught English and Theatre at Princeton High School for eight years, where she directed plays and musicals. Shakespeare and Chekov are among her favorites. She earned a Masters of Education from Xavier University and an MA in Literature at Wright State before beginning her PhD in Literature at the University of Cincinnati, where she currently teaches.
