Young Family Weekly Email

This week is Holy Week. In this email, you will find instructions for Maundy Thursday at home and a video for Good Friday. On Friday, you will receive an email with Easter ideas. Please send a picture of your child on Easter and/ or a picture of your family worshipping together. We would like to create a collage of our families celebrating Easter.

Maundy Thursday Home worship with Foot Washing and Communion

Join the Caine family in their home (virtually of course!) for Maundy Thursday worship. This worship service is perfect for families at home on Maundy Thursday. I hope this is the year that everyone goes to Maundy Thursday worship! Preparing for the service can be very meaningful for your children. They can participate by making bread with you, making placemats and setting the table. I also highly recommend the foot washing experience. In Sunday School, the children really could understand Jesus' servanthood through the footwashing experience.

Maundy Thursday Placemats

Print out the Lord's Prayer Visual Map for Children. Print both sides and tape it together.

Jesus Betrayed in Garden Video
Designed for children 3rd- 6th grade

This is my **favorite** storyteller telling the story of Judas betraying Jesus in the garden of Gesthsemane. Click the link below to get to the video. At vimeo, click on kid experience 4/5. The video has worship music and an introduction to the story. The storytelling part of the video is from 7:40- 14:16.

Easter Pictures

We can't have an Easter Egg hunt at church, but we can have a virtual Easter Egg hunt. Please send pictures of your children hunting for Easter eggs at home and/or of your family worshipping at home. We plan to create a collage next week. Send photos to Jennifer Taylor (christianeducation@indianhillchurch.org).

How Can You Help Neighbors in Need?
IPM Power Packs

Many of you have asked how you can help others during this time of need. IPM (Inter Parish Ministry) is collecting "Power Packs" in gallon-sized Ziploc bags that are then distributed to school-age children. You will find instructions below for creating Power Packs at home with your children. This is a great opportunity to teach your children about loving their neighbors.

What makes a good power pack?

1. Look for a **meal** for each bag (microwave mac and cheese, microwave ravioli, soups with pull tab, canned chicken/tuna lunch kits, Hormel shelf stable meals)
2. Add other items such as individual cereals, applesauce, fruit cups, shelf-stable puddings, oatmeal, peanut butter crackers, JIF peanut butter to go cups, raisins, chips, juice box, granola bar, pretzels, microwave popcorn, cheese crackers).
3. Seal items in a gallon Ziploc bag.
4. It is great when the bag is full of items.
5. Feel free to add an encouraging note to the child receiving the Power Pack.

Power Pack supplies can be ordered on Amazon or purchased at a grocery store. I purchased supplies at Kroger and easily found what I needed.

Power Packs can be dropped off anytime at one of three church member houses. These members have volunteered to have a bin at the front porch for power packs. **Please keep appropriate social distance when dropping off Power Packs.** No contact is necessary at drop off. You may also drop power packs at IPM pantries during specified times. **Collections can NOT be dropped off at church.** The church building is currently closed.
