

Young Family Weekly Email

I am sure you are all very busy with back to school preparations or maybe homework if your child is back at school. The Christian Education Committee met yesterday. We are working on plans to create socially distanced worship and fellowship events for families. We also plan to give you Sunday School lessons in paper format so you don't have to print everything for your child.

This week the lesson is about Moses and the Burning Bush, which is the Old Testament lesson for Sunday worship this week.

Moses and the Burning Bush (Exodus 2-3)

**Our Daily Bread and
Power Pack Update**

We will resume Our Daily Bread and Power Packs after Labor Day.

Drop off for IPM Power Packs and Our Daily Bread will be at the church front porch.

Thank you for your support of our hands on mission partners!
