Cincinnati Circus Performance  
Sunday, September 27  
10:30 AM - 11:30 AM**

You are invited to join us for a Young Family Outdoor Worship Service on the front lawn followed by a performance of the Cincinnati Circus! Feel free to invite your friends too, but please send them the registration link.

The entire event is designed to be socially distanced for families. We will begin with a shortened worship experience that is designed for families with children 0 - 5th grade to worship together. There will be a child friendly interactive teaching followed by a brief adult reflection.

After the worship service, we will be entertained by two performers from the Cincinnati Circus. We will have a juggler and master of ceremonies on the ground and an aerialist on a trapeze 20 feet in the air.

Your family will participate from the safety of a 6 foot spray painted circle on the front lawn. Each circle will be separated from the surrounding circles by 6 feet.

We are looking forward to gathering together. While we are excited about being together again, the health and safety of our community are of utmost importance.

We request that you adhere to the following guidelines to help keep everyone safe and healthy:

### Moses and the Wilderness Psalm 114

#### Discussion Questions:

- Do you ever make art?
- Why do you make art? What do you enjoy about it?
- Do you ever make art to show how you feel? Why does making art help with that?

Today's scripture is a psalm that celebrates God's deliverance of the Israelites from slavery in Egypt. The pharaoh in Egypt forced the Israelites to do hard, dangerous work without pay, or any human rights, to build his empire. Many countries over the centuries have enslaved people to build up wealth and power— including America—even though it is unjust. God freed the Israelites.

Psalm 114 is a poem that uses art and creative expression to depict God's wonder, strength, and loyalty toward the Israelites. In the poem, God even taunts the mountains and the seas—which should be immovable forces or objects— saying that they trembled and fled. Art like this psalm can be a way to resist mighty powers and oppressive forces that harm people.

#### Prayer:

Dear God, thank you for art and all the ways you give us to express ourselves. Thank you for caring for your people and for calling on us to resist injustice. Amen.

**Pet Blessing**  
**Sunday, October 4**  
**5:00 PM - 6:00 PM**  
**Indian Hill Church Front Porch**

Annually, on or around October 4th, Christians worldwide celebrate The Feast of St. Francis with a blessing of animals and prayers for creation. This year, Indian Hill Church will have our traditional Blessing of the Pets service in a new socially distanced format. In lieu of a formal service, The Rev. Meredith Day Hearn will be present to bless your pets on the front porch one family at a time.

Please line up in the semi-circular drive through lane and remain in your vehicles. When you arrive at the front of the line, exit your vehicle and make your way to the porch with your masks on and your leashed or caged pets ready for a blessing. If you prefer, you may also stay in your vehicle and roll the window down for a blessing from the car. Don't forget to invite your friends and neighbors to this special event!

**Power Pack  
Collections have resumed**

Drop off for IPM Power Packs will be at the church front porch.

What makes a good power pack?

1. Look for a **meal** for each bag (microwave mac and cheese, microwave ravioli, soups with pull tab, canned chicken/tuna lunch kits, Hormel shelf stable meals).
2. Add other items such as individual cereals, applesauce, fruit cups, shelf-stable puddings, oatmeal, peanut butter crackers, JIF peanut butter to go cups, raisins, chips, juice box, granola bar, pretzels, microwave popcorn, cheese crackers).
3. Seal items in a gallon Ziploc bag.
4. It is great when the bag is full of items.
5. Feel free to add an encouraging note to the child receiving the Power Pack.

Power Packs can be dropped off anytime on the front porch. Please make sure the Power Packs are in a sealed bin so they don't become snacks for the squirrels and raccoons.

You may sign up via sign up genius to donate Power Packs or you can just drop off Power Packs as time allows. If you have any questions, please email Jennifer Taylor ([christianeducation@indianhillchurch.org](mailto:christianeducation@indianhillchurch.org)).
