Outdoor Young Family Worship Service
Sunday, October 11
10:30 AM
Front Lawn

You are invited to join us for a Young Family Outdoor Worship Service on the front lawn. The Zender Sender Jazz band will be back with live music and we hope to hear from some of the Indian Hill Church Youth Choir.

This shortened worship experience is designed for families with children 0 - 6th grade to worship together. There will be a child friendly interactive teaching followed by a brief adult reflection. We will learn about Jacob's dream. Children will receive Faith at Home bags to learn at home until we meet again on **Sunday, November 8.**

Your family will participate from the safety of a 6 foot spray painted circle on the front lawn. Each circle will be separated from the surrounding circles by 6 feet.

Reservations are required

2.Children dress up in their Halloween Costumes.

3.Families drive into the main parking lot and park cars in every other space.

4.Families set up chairs in front of their trunks and stay in your parking space area.

5.Families are encouraged to decorate your trunk to add to the fun!

6.Costumed youth will greet cars as they arrive. Youth will not get closer than 10 feet to any children.

7. Individually wrapped candy will be pre-packaged into treat bags. Parents can open the packaging and dump out the candy and discard the baggie. Parents can feel safe knowing that the candy has not touched a human hand in the last week.

8. Adults wearing masks and gloves will distribute candy bags to the children while maintaining as much social distance as possible.

9.Nut contaminant free bags of candy (skittles, starburst and sour patch) will be available for children with nut allergies.

Power Pack

Drop off for IPM Power Packs will be at the church front porch.

What makes a good power pack?

1. Look for a **meal** for each bag (microwave mac and cheese, microwave ravioli, soups with pull tab, canned chicken/tuna lunch kits, Hormel shelf stable meals).
2. Add other items such as individual cereals, applesauce, fruit cups, shelf-stable puddings, oatmeal, peanut butter crackers, JIF peanut butter to go cups, raisins, chips, juice box, granola bar, pretzels, microwave popcorn, cheese crackers).
3. Seal items in a gallon Ziploc bag.
4. It is great when the bag is full of items.
5. Feel free to add an encouraging note to the child receiving the Power Pack.

Power Packs can be dropped off anytime on the front porch. Please make sure the Power Packs are in a sealed bin so they don't become snacks for the squirrels and raccoons.

You may sign up via sign up genius to donate Power Packs or you can just drop off Power Packs as time allows. If you have any questions, please email Jennifer Taylor (christianeducation@indianhillchurch.org).
